

# Optical Illusion Lettering

**Objective:** You will create a word or lettering design (similar to graffiti or street art) in an optical illusion lettering style.

## Guidelines:

- Your drawing must be your own idea but can be inspired by the resources below.
- Your drawing must be done with great craftsmanship so that it works as an optical illusion.
- Your drawing must be more than a plain pencil/pen drawing.
- Your drawing must fill the page

## Instructions:

1. Watch the videos.
2. Read the other resources.
3. Come up with a design.
4. Practice it on copy paper first.
5. Decide the paper size for the final project and get Ms. Jones to help you cut the paper to that size.
